Dear Parents and Carers,

I hope you are all keeping safe and well during this spell of cold weather. Please remember to check the school website daily to see if the school will remain open during any adverse weather periods. We will however do our utmost to ensure the school remains open.

On Monday this week, we held Pride Day 3 and there was an amazing abundance of activities and trips taking place both on and off site.

Also on Monday, we hosted the UCL Competition Round of Debate Mate and were pleased to be able to benefit from the home advantage in many of the debates (please see our separate section on the results).

Tuesday the 29th saw our Year 10 Information Evening and it was great to see so many of you there and to talk to you about the progress that your child is making. I know how helpful it is for you to know exactly what the courses involve, and to hear about which texts are being studied etc.

Also on the 29th, we hosted the JRSA meeting in Westcombe Park at 6.45pm, and I am pleased to tell you that they have decided which bids they will be supporting (please see their section of the newsletter below). Everyone is always very welcome to attend the meetings and I look forward to seeing more of you there – the next meeting is on the 20th March.

The Year 9 Options Evening took place on Wednesday and again it was lovely to welcome so many of you to this very informative evening. Evenings like this really do help in the decisions that our Year 9 students are making at the moment towards shaping their future.

Just another busy week of exciting activities at The John Roan!

Parent and Carer Survey
I am aware that it is now just over a year since I last formally asked parents to let us know how we are doing. I feel that there has been a lot that has changed about the school in the past 12 months and would like to find out what you all feel about a wide range of aspects of school life now. I am therefore going to send out a link to a parent questionnaire later today and ask as many of you as possible to complete it for us. Your opinions are, quite rightly, very important to us and help us to shape much of the school improvement agenda. Look out for my letter and please put aside a few minutes to complete the survey. If you require a paper copy of the survey, please let us know. Many thanks in advance.
Today, I witnessed one of our Year 11 students, Jude, having all his hair shaved off for charity. Approximately 200 students watched the event at lunchtime and Jude’s bravery nudge a large number of students and staff to contribute to the Pink Ribbon Foundation. Jude has unfortunately experienced breast cancer within his family, especially with his Nan. However, thanks to the support given by the Pink Ribbon Foundation, she has been fortunate enough to beat cancer! He was pleased and proud to raise money for them in this way. It is not too late to donate - every little helps.

YEAR 10 WORK EXPERIENCE - 8th to 12th JULY 2019
It is becoming increasingly challenging for students and the school to find Work Experience Placements however, this is a great opportunity that we would not want them to miss.

We would very much appreciate it if you, or someone you know, are able to provide a work placement for a Year 10 student for Work Experience running from 8th to 12th July 2019. If you are able to help, please get in touch with Liz Proctor on 0208 516 7760 or via email eproctor@thejohnroan.greenwich.sch.uk providing your full contact details for the organisation offering the placement and a very brief job description for the placement offered.

Please note: only employers with Employers’ Liability Insurance Cover are eligible for inclusion in the Greenwich Work Experience Programme

***************************

Finally, can I end on a plea for your support! When you are attending events at the school, either during the day but especially during in the evening, please be mindful of our local residents and do not park/obstruct their driveways. The local residents are always very supportive of the school and I would like to show them my support in return by getting this message out to our parents. Thank you, as always, for your support.

Yours faithfully,

Cath Smith
Executive Headteacher

PRIDE Day 3 saw all Year 7 students going out on trips with their Form Tutors. Feedback from students and staff was fantastic, with students enjoying the time out of school to visit places they wouldn’t normally. It was lovely to see how the students conducted themselves in public, representing themselves and the school very well. I believe all students in attendance of the four trips that took place had an exciting and varied day. A huge thank you to all the members of staff and Form Tutors who helped organise and lead their trips and in ensuring a good day was had by all.

Dates for the Diary:
PRIDE Day 4: Friday, 8th March
Year 7 Parents Evening: Tuesday, 2nd April

Have a good weekend, Mrs Causer, Year 7 GAL

This week I am solely focussing on raising your attention to the Year 8 Parent's Evening, which is from 4-7pm on the 13th February.

These evenings are vital as they only occur once a year and are hugely beneficial for all involved. A letter detailing plans of the evening has already been given to all Year 8s on Friday the 18th during assembly. If your child has forgotten to give you the letter, you can inform us you will be attending the Parent's Evening by emailing your child's Form Tutor -

8J (Ms Stephens-Brown) jbrown@thejohnroan.greenwich.sch.uk
8O (Ms Heselden) jheselden@thejohnroan.greenwich.sch.uk
8H (Mr Woods) swoods@thejohnroan.greenwich.sch.uk
8N (Mr Thackaberry) pthackaberry@thejohnroan.greenwich.sch.uk
8R (Ms Hoang) khoang@thejohnroan.greenwich.sch.uk

8T (Mr Merridan) mmerridan@thejohnroan.greenwich.sch.uk
8E (Ms You) oxyou@thejohnroan.greenwich.sch.uk

I will be in attendance on the evening to focus on my PE classes between 4pm-6pm. I am available for appointments to discuss any other questions/concerns from 6pm onwards.

I will be sending reminders to you via the ParentPay email system about the upcoming Parent's Evening. If you have any questions or concerns, please do not hesitate in contacting me via eduncan@thejohnroan.greenwich.sch.uk or 0208 516 7590.

See you all soon!

Mr Duncan, Year 8 GAL
This has been an action packed and inspirational week for Year 9 amidst a real atmosphere of excitement and anticipation about these young adults’ futures.

First of all, we had Pride Day on Monday, 28th January 2019 which, for Year 9, involved a series of workshops designed to help them start to think and plan for the future and enlightening them to the vast plethora of opportunities and career paths that open up for them with a solid education underneath their belts.

In the evening of Monday, 28th January 2019, The John Roan hosted Round One of The Urban Debate League Cup. Please see the article that I have written about it which goes into more detail about the event as a whole. The teams were made up of Year 7, 8, 9 and 10 students. Abya Nouar (9J), Hamish Stewart (9A), Aedan Bullen (9R) and Jeremy Ellis (9R) represented year 9 brilliantly. Their teams won both their debates and many of them are the Novice UDL Champions of 2018.

On Wednesday, 30th January 2019, the Maze Hill Main Hall was packed with Year 9 parents and students for the Options Evening: it was fantastic! I thoroughly enjoyed seeing so many of you there and having a chance to catch up and discuss your child’s future.

The deadline for submitting the Options form is Monday, 25th February 2019. If you were unable to come or feel that you need further advice when making these vital decisions with your child, please do not hesitate to contact me.

I hope you all have a lovely weekend.

Best wishes, Mrs Angie Smith, Year 9 GAL

Many thanks again to all those parents who were able to attend on Tuesday. I have sent out a small summary as to what was discussed on the evening.

Please be aware that the Year 10 end of year exams will be starting week commencing Monday, 17th June.

The deadline for the return of the work experience forms has also been extended to the 22nd February. If there are any issues, please do not hesitate to contact Mr Dagunduro on bdagunduro@thejohnroan.greenwich.sch.uk.

Thank you again for your continued support and engagement. I know that working together we will ensure that this year group continues to make the great stride that they have been making.

Have a lovely weekend!

Luke Thomas, Guidance and Achievement Leader for Year 10
Mock Examination Results
Mock results were given to students on Tuesday, 29th January. Many students have done very well and are on target. Some students however are clearly disappointed with their results. It is important that students focus on the areas that they need to develop. Students should be revising a minimum of two hours each evening and more at weekends. It is important that students also have a couple of evenings 'off' and relax. In support of this, please can you check that your child has a revision timetable in place and are following it.

Example of a revision timetable:

<table>
<thead>
<tr>
<th>W/B</th>
<th>Mon</th>
<th>Tue</th>
<th>Wed</th>
<th>Thur</th>
<th>Fri</th>
<th>Sat</th>
<th>Sun</th>
</tr>
</thead>
<tbody>
<tr>
<td>28/1</td>
<td>English lit - Macbeth Act 1 and 2 popular culture in the 1930's</td>
<td>History - Science - The CPU</td>
<td>Maths - solids and pie charts. Geography weather hazards</td>
<td>3D Business location Media</td>
<td>Business - Character and camera shots.</td>
<td>-HSC - Stress and Economic factors</td>
<td>-English Lang</td>
</tr>
<tr>
<td>4/2</td>
<td>Science organic chemistry. Psychology social loafing and conformity</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Each subject needs to be included in the timetable every week. Specific topics also need to be included. The timetable should be planned for a minimum of four weeks in advance. Each week, students need to increase the amount of time that they revise for each subject. Every student has a 'Planning for Success' exam booklet that list the topics which students need to revise for each subject.

Year 11 Reports
Year 11 full reports will be sent home to the parent/carer via post on Monday.

Thank you, Ms Sumner, Year 11 GAL
Next week, please expect to receive a letter from me containing both the January mock results and the current predictions for child. I hope these will be useful for you to have informed conversations with your child about their progress, and whether they are on track to meet the grades they will need to fulfil their next steps following their time at Sixth Form.

You will have an opportunity to discuss these results with your child's teachers later this month at the Year 12 and 13 Parents Evening. I look forwards to welcoming all of you on Thursday, 28\textsuperscript{th} February from 4-7pm for these important conversations to support your child.

Mr Williams, Director of Post 16
Blind Date Reads
This week we are launching Blind Date Reads, where we are asking the students to put their trust in the Library staff when it comes to choosing books.

Students need to complete a form (available from the Libraries) about the books that they usually enjoy and then return it to us. We will then choose the student an amazing new book from the Library shelves, wrap it up and present it before Valentine’s Day.

Harry Potter Night – Thursday, 7th February
To celebrate the worldwide event Harry Potter Night, the Libraries will be hosting a special event at lunchtime based around this year’s theme, Hogwarts, which includes a fiendishly difficult quiz at WP, and a Hogwarts Hunt at MH. We’re looking forward to seeing the students test out our more unusual sorting hats.

The John Roan Word of the Week
Word: cascading

Definition: Pour downwards rapidly and in large quantities.

Example sentence: Several days of rain had turned the river to a noisy torrent of cascading water.

Word group: verb

Synonyms: flowing, pouring, gushing

The Weekly Challenge: Use the verb cascading as many times as possible throughout the week and you could receive PRIDE points every time! This can be verbally OR in your written work.
It's been a tremendous week for our football and basketball teams!

The Girls Year 9 Football Team beat St Thomas More 7-0 on Wednesday. They are an excellent team and we are excited by the talent and progress being made. Well done to Ms Horn for organising and motivating our female footballers.

Our Sixth Form Basketball Team beat Northfleet quite comfortably this week. A home game next Wednesday awaits, and they continue to impress each week: looking like solid title contenders in the ABL.

Our Year 9 Basketball Team beat the International School of Greenwich 50-01 on Wednesday, with a formidable performance. A big well done to Mr Nwakede and Coach Courtney here.

We continue to reach out looking for some talented female Basketball players for their girl's only sessions on Thursdays.

We also look forward to some KS3 indoor cricket matches. All students that are keen to attend should do so on Tuesday nights.
Attendance at instrumental and singing lessons has started well this term and students are making good progress in lessons. However, many students are still needing to be collected by their instrumental teacher. This means that a quarter of their lesson time is wasted.

With this in mind, I have ordered some music practice books. In each book, there is a diary where you/students can write down all their lesson times and teachers can write in what the student should be working on and their current progress. This also gives the opportunity for you to see how your child is progressing and it opens up an easy way of communication between parent and teacher. The other benefits of the book are that it includes a music theory section, manuscript paper and some practice tips. The music theory section, in particular, will really help students with their reading of music. If you would like to purchase a music practice book at the cost of £1.77, then please drop me an email once you have made the payment on Parent Pay. Similarly, if you would also like a copy of the timetable relevant to your son/daughter or if you have any queries then please email me.

![My Music Practice Book](image)

My Music Practice Book provides the ideal way for any young musician to keep track of their progress. Includes 36 weekly diaries, additional holiday records, helpful music theory section, hints and tips for practice times, manuscript paper, musical quizzes and games, jokes and trivia and much more. The perfect companion for any young musician!

We have had to move around a couple of extra-curricular clubs, so Jazz Band has moved back to Thursdays after school and Senior Choir has moved to Wednesday lunchtimes.

Another reminder that students do not need to sign up for the extra-curricular sessions; they just need to turn up in the correct place at the correct time!

Mr Wright, Head of Music
The John Roan Hosted Round One of the Urban Debate League Cup Competition.

On the evening of Monday, 28th January 2019, The John Roan hosted Round One of the Urban Debate League Cup Competition for Debate Mate and I am delighted to report that it was a great success. Our students, who were from Years 7, 8, 9 and 10 were outstanding in every possible way: they greeted the judges, visiting staff and students from six other South London schools very warmly and politely, showing them where the refreshments and facilities were. They also set up all eight classrooms ready for the debates and put the desks and chairs back after the competition.

As far as the competition was concerned, there were two debates. The first one was "This house believes that the rise of digital technology has done more harm than good." The second one was "This house believes that schools should teach the Art subjects through modern rather than classical means."

Team One Novice lost both of their rounds. However, both their opposing teams were older and more experienced. I explained that exactly the same thing happened to our novice team last year and they ended up being the Novice National Champions: it's the points that they accumulate which counts. Team Two won their both debates and Team Three won their first debate and lost their second by ONE point!

Our guests were very complimentary about our students and the school as a whole.

My heartfelt thanks goes to Ms Ismail from the English Department, who has been a huge support to me and the students, to Mr Gleeson from Premises and Ms Hristova’s Catering Team provided welcome refreshments! Bring on Round Two!

Best wishes,
Mrs Angie Smith
