15 March 2019

Dear Parents and Carers,

Thank you for your support in getting your children to school on time. Despite a few local roadworks that are slowing down some of the routes to school, I am pleased to report that punctuality is improving.

Thank you also for ensuring that school uniform is always correct. There are now very few students who are in the wrong uniform and we are in contact with you where this is the case.

This week, on Tuesday, our second informal instrumental/vocal concert of the year took place for all students who are currently taking instrumental or singing lessons at the school. The concert was to showcase the progress they have made in lessons and I know that Mr Wright was pleased with the confidence of his performers and the enthusiasm of the audience.

Next Wednesday, 20th March from 6.45pm, we will be holding the next JRSA Parent Meeting in WP. Please do try to come along - it is always good to see lots of parents and to discuss ways that parents can continue to support the school through the JRSA.

On Thursday the 21st, we are very excited to be hosting our first New Year 7 Intake Event. The event is a ‘Friendship Afternoon’ and will run from 4.00pm – 5.30pm in Maze Hill. The event is aimed at welcoming our New Year 7 students and their families into The John Roan and help them make new friends at this early stage. They can also meet our teachers and students and have some fun!

Please find attached the letter regarding the price increases to our school meals, which has been sent out to parents and carers already. The price increases come into effect from the 23rd April 2019 and have been implemented after careful competitor analysis. Those students who receive free school meals will not be affected by the price increase.

I would also like to take this opportunity to highlight the letter I sent home yesterday regarding the change to the start of the school day on Wednesdays - starting from Wednesday, 20th March. School will start, for all Years, at 8.50am instead of 8.30am, allowing us to have a whole staff meeting once a week. Students will not have Tutor Time on a Wednesday. This initiative will be trialled for the rest of this term and is part of our school improvement plan for better communication.

Exams and Revision
For many of our students, the exam season has almost started and I imagine that the pressures of this are beginning to show at home? It may help parents of Year 11 and 13 in particular, to know that we now have a study facility for students at Westcombe Park between 3pm and 5pm. The ‘Breakout Area’ on the first floor is now supervised by Mr Martin and available for quiet independent study. This facility is open every day and will continue up until the May half term.
Additionally, there will be revision and study classes running over 4 days of the Easter break. Further details will be sent to families of Year 11 and 13. I know from previous experience that this is often a good way to focus the studying over the holidays and I am really pleased that there will be a good range of subjects on offer at this time.

*************************
London Marathon – Sunday, 28th April 2019
We will be attending the start of the London Marathon as usual this year hosting the Lucozade stall on Blackheath with staff and students. Please do come along and say hello, it is always a wonderful event day.

Also this year the John Roan School has three representatives running the London Marathon. Luke Thomas (Head of Year 10), Sophie Tutt (History Teacher) and Kelly Arnold (daughter of a staff member), who are all currently hard at training and hoping to raise money for the students of the John Roan.

At the John Roan, we have a high number of students from disadvantaged backgrounds and as a school we aim to close the attainment gap between these students and non-disadvantaged students. With the money raised this year, we are going to organise a fantastic inclusive end of year trip to reward our students for their hard work. This trip will hopefully motivate these students and contribute in some way to closing this attainment gap.

The amount of money we raise will largely determine the amount of students we can invite on this reward trip, and the location, so any contribution will be very much appreciated! All of the funds donated will go towards the cost of the trip to ensure that everyone can take part. We hope the initiative will inspire these young people to face and overcome challenges.

A huge thank you from the staff and students at the John Roan. The Just Giving link is (copy and paste into your web browser):
or go to the Just Giving website and search the John Roan.

Yours faithfully,

Cath Smith
Executive Headteacher
March 2019

Dear Parents/Carers,

I am writing to inform you that, after careful consideration, we are having to implement an increase in the price of school meals with effect from the 23rd April 2019. We wanted to give you good notice of this, which has come about entirely because of increased costs. The increase means that meals will rise from £1.80 to £2.00 and a Meal Deal from £2.00 to £2.30.

In terms of choice and nutritional value, we are confident that this is still very good value for money. Competitor analysis shows that even with the new prices, we will be one of the lowest for prices charged in Greenwich secondary schools.

Our in house Catering Team, as always, remain committed to providing a quality service and offers a variety of healthy and nutritious meals, cooked on the school premises. Menus are rotated on a three-week cycle and are available to view on the school website. The Summer Term menu and prices will be updated on the school website during Easter break.

This price change will not affect pupils who receive free school meals, as their allowance will be increased to cover the meal deal option.

If you think that your child should be entitled to apply for free school meals, ask at the School Office for assistance, or visit www.royalgreenwich.gov.uk/schoolmeals for further information and the application form.

Yours faithfully,

Cath Smith
Executive Headteacher

| The Year 7’s have been working hard after having had a very productive PRIDE day 4 on Friday. Following on from the sugar smart session, students have shown a keen interest on working further with the Catering Team, who have very kindly offered to run an extra session for students with the chefs. Students have already signed up their interest in attending a further session, but the places are limited to just 20 students. We now need to finalise the final list. The session will be taking place on Monday, 25th March 3.00-3.45. I will be informing students next week if they have been lucky enough to get a space on the event.

Punctuality has been fantastic this week, and the number of students without their essential equipment and planners has greatly reduced. This means the Year 7’s have arrived at their lessons ready to learn and been able to make the most of their teaching time. Thank you to all parents who have helped with this.

Finally, a huge congratulations to all students who participated in the music concert this week. It was fantastic to see so many Year 7 students finding the confidence to perform and showcase the music lessons they have been studying so far this year, well done to everyone involved.

Have a great week. Mrs Causer, Year 7 GAL

| We have had a very productive week; including a couple of inspirational extra-curricular trips, as well as a musical concert.

On Tuesday, a small group of girls went along to celebrate International Women’s Week and learn more about possible careers and inspirational messages to help develop our girls. A huge well done to Siham from 8A, Katherine from 8O, Isra from 8H and Alexandra from 8R who all attended.

Also on Tuesday, around 20 students visited the London Metropolitan University to discover more about life at University, as well as tackling some inaccurate assumptions about Universities, fees and qualifications. We also spent time understanding the importance of our GCSE choices next year and possible career paths. Mr Van-Beest and I were very impressed by the engagement of our students, as well as the University staff complimenting their exemplary behaviour.

We also had our musical concert; where Kieran from 8J, Alaina from 8O, Eres from 8E and Laila from 8R all performed to parents/families as well as their peers. I was very impressed by their confidence and pluckiness. I was as proud as punch when Mr Wright informed me of how well our students performed too. Well done!

In the near future, our girls will have their second round of HPV vaccinations. More information will follow regarding these important vaccinations.

As ever, if you would like me to bring anything to your attention through our weekly newsletter, please do not hesitate in contacting me via eduncan@thejohnroan.greenwich.sch.uk or alternatively 0208-516-7590

Have a good weekend, Mr Duncan, Year 8 GAL
It has been another great week for Year 9! Last Friday, 8th March 2019, was our fourth Pride Day and it was truly inspirational for students and staff alike. Ms Ward, who organises the Pride Days, invited in an organisation called Humanutopia. Their workshops aim to improve the mental health and wellbeing of the students by empowering them to make positive changes in their lives. They also aim to improve life chances by developing a range of life skills which will help individuals to become more employable.

The Year 9 Tutor Team and I were absolutely thrilled at the way all the Year 9 students were fully engaged with the variety of activities which were laid on by Humanutopia. I have been inundated with incredibly positive feedback from many Year 9 students. The fact that the few students within the year group, who still struggle with the demands of academic study and school life in general, were fully engaged too was particularly rewarding to witness. Lauren, one of the workshop leaders from Humanutopia, said to me that our Year 9 students were some of the very best that she had ever worked with: not just at The John Roan but out of all the schools she has worked with nationwide. We all left school last Friday feeling very proud, happy and optimistic about the future success of the young people whom we are privileged to have in our care.

My thanks and congratulations go to Ms Horn and her Team of Sports Leaders who organised and delivered the primary school inclusive mini tennis on Thursday, 7th and Thursday, 14th March. Twelve primary schools entered across the two days and teams included students with special educational needs and disabilities. Ms Horn said, “The Sports Leaders were fantastic and demonstrated outstanding organisation, commitment and rapport with the children. We look forward to hosting the local borough basketball tournament in a couple of weeks’ time.” The Year 9 Sports Leaders are Jude Smith 9J, Abya Nouar 9J, Mewen Lefeuvre 9N, Alihan Karitas 9O, Ola Olayiwola 9J, Lewis Gibbs 9R, Bella Gordon-Salem 9J, Oakley Smith-Suckoo 9J, Damiel Kennett-Brown 9O and Nischan Raj 9T.

This week we had an extended assembly on Wednesday morning with guests from Charlton FC who, through a very educational, entertaining and interactive assembly entitled Smokescreen, warned and informed the students about the subtleties of the advertising world which still encouraged young people to take up smoking despite the official ban on its advertising. The students were very positive about it and felt that they learned a lot, as indeed I did.

Thank you to all parents/carers who have already returned the consent forms for the forthcoming immunisations. Just a polite reminder that the deadline for their return is Friday, 25th March 2019. With the new arrangements for Wednesday mornings being trialled for the last three weeks of this term, Year 9 assembly will now take place on Thursday mornings. This Thursday, as I mentioned in last week’s newsletter, the Oxleas Team are coming into school on 21st March 2019 to do an assembly for the students about the importance of the immunisations.

I wish you a very happy and restful weekend. Best wishes, Mrs Angie Smith, Year 9 GAL

Year 10s have had a truly fantastic week in terms of their fortitude and dedication towards their studies. I was privileged enough to be a judge this week in the final selection process for the Jack Petchy Speak Out Competition. The 4 finalist were Kacper Abryszenski, Florjan Toro, Amy Pogson-Jones and Artur Pali. They all gave different presentations ranging for our need to recycle and reuse more of our resources, the need to not procrastinate when it comes
to your education, the impact of the government cut in funding for education and the impact of poverty on society/education.

I was immensely impressed with all the presentations and felt like a proud father at the level of detail that went into each presentation in terms of the facts and figures that each student was able to recall from memory, without the use of any notes, and the passion of each presentation.

Sadly, there could be only one winner but there was only 1 point between the winner and second place student. The 4 judges (Ms Cath Smith, Ms Andrews, Ms Allen and I) had a very difficult task in scoring such high quality presentations. We all scored students, independently, based on the content of their speech, quality of presentation etc and Amy Pogson-Jones was declared the winner and going forward to the regional finals to represent the John Roan school. Florjan Toro came second and will be our reserve candidate, should Amy not be able to make it.

I’d like to thank the Librarians, Ms Allen and Ms Cheriton, for all their hard work in preparing the students for their presentations and for all the hard work that went into selecting the 4 finalist from a cohort of nearly 30 students.

Some Work Experience opportunities have arisen at Lewisham Hospital. If this is something that your child may be interested in, then please use the following email to get more details and find out what roles are available ig.workexperience@nhs.net.

Please keep the memory sticks coming and I will keep on providing the Science revision resources for your child. Please don’t forget that resources have also been placed on, or will be placed on Show My Homework, by Mr Kinch, and your child also has access to Science Doodle, Kerboodle and the fantastic free Science lesson revision videos on YouTube. Please also visit the school website to find out the content for the upcoming exam for other subjects.

Finally, this year the John Roan School has three representatives running the London Marathon. Luke Thomas (Head of Year 10), Sophie Tutt (History Teacher) and Kelly Arnold (daughter of a staff member), who are all currently hard at training and hoping to raise money for the students of the John Roan.

At the John Roan, we have a high number of students from disadvantaged backgrounds and as a school we aim to close the attainment gap between these students and non-disadvantaged students. With the money raised this year, we are going to organise a fantastic inclusive end of year trip to reward our students for their hard work. This trip will hopefully motivate these students and contribute in some way to closing this attainment gap.

The amount of money we raise will largely determine the amount of students we can invite on this reward trip, and the location, so any contribution will be very much appreciated! All of the funds donated will go towards the cost of the trip to ensure that everyone can take part. We hope the initiative will inspire these young people to face and overcome challenges.

A huge thank you from the staff and students at the John Roan.

If you’d like to sponsor us then please use the following link https://www.justgiving.com/crowdfunding/johnroan?utm_id=2&utm_term=K4NpdeZ3G

Thank you again for your continued support!

Luke Thomas, Guidance and Achievement Leader for Year 10
Year 11 Key Dates
As we enter the last few weeks of Year 11, please find below a list of key dates. Please be aware of these and support your child with final preparations for their exams. If you have any questions regarding these, please contact Ms Sumner and the Pastoral Team.

**Boat Party/Prom – 20th June 2019**

Boat Party/Prom - 20th June from 6.30-11pm - letters have been given to students. Letters are also available from the Reception at Westcombe Park.

Many thanks, Ms Sumner, Year 11 GAL

Post 16

Mr Williams  bwilliams@thejohnroan.greenwich.sch.uk

We are really pleased to let you know how well Pride 4 went for the Year 12 pupils who were preparing for their summer work experience placements. All who attended, completed a series of tasks designed to reflect on appropriate career routes for them, different routes and qualifications that could help them on that route. Also students successfully completed CVs and contacted a number of providers to secure places. To clarify for you, our Work Experience Week for Year 12 will take place on the 15th - 19th July. We expect all Year 12 students to undertake a placement, and have a number of placements on offer via the school, for those students who need extra support.

We would like all students to have firm plans for their placement by Easter. This is to give us time to ensure H&S checks of all placements can take place in the Summer term. Any students without placements will take part in a careers and study programmes in school that week.
Forthcoming UCAS trip for Year 12 students to the Excel Centre on Tuesday, 26th March. We will be leaving school at 10:30 am.

Year 13 Exams - final exams start in only two months, however coursework deadlines are sooner than that. Many of the Year 13s are already upping their game in terms of independent study and preparing for these exams since the conversations that took place at Parents Evening. If you are at all worried about your child's preparation or commitment in any subject, please contact the Sixth Form Team on 0208 516 7591 and we can arrange for their teacher to contact you.

Mr Williams – Director of Post 16
**Library Loyalty Cards**
This term we have launched the Library Loyalty Card. If a student borrows a book overnight they will receive a stamp on their loyalty card. Any completed loyalty card will be entered into the prize draw at the end of term, as well as receiving a postcard home, and a small prize.

**The Pebble Challenge Winners**
At Maze Hill, to celebrate World Book Day, we challenged the students to decorate their own pebbles by either turning them into book characters or into book covers.

Everyone did an amazing job, but our worthy winners were Ellen Cooper and Ella Barker from Year 7 with these amazing creations:

![Pebbles created by Ellen Cooper and Ella Barker](image)

---

**The John Roan Word of the Week**
**Word:** Prudent

**Definition:**
Acting with or showing care and thought for the future.

**Example sentence:**
He sat and wondered if the decision had been a prudent one.

**Synonyms:** wise, sensible, well-judged.

**The Weekly Challenge:** Use the adjective prudent as many times as possible throughout the week and you could receive PRIDE points every time! This can be verbally OR in your written work.
On Tuesday, we held the second informal instrumental/singing concert of the year in Maze Hill Hall. It was great to see so many students performing and they all did really well, despite some being very nervous! It was particularly pleasing to see so many Year 7 students, 23 of them to be precise, performing - as for many this was their first time in front of an audience.

We had a real mixture of pieces being performed on a variety of instruments and it was great to see the students gain so much confidence by performing in front of an audience. Thank you to all the parents that came to watch the concert; your support is very much appreciated.

Today we had nine students from Years 7 – 11 taking Rockschool singing exams. The students have been working extremely hard in preparation for these and I am sure that they will all do well. I am hoping that next term we will have a greater number of students taking music exams on their chosen instrument. If you would like your son/daughter to take an exam next term, then please do email me.

Last month I put this opportunity in the newsletter but have so far not had responses; Blackheath Youth Choir are looking to recruit some more singers at the start of the Summer term. The repertoire is primarily classical and performance opportunities have included performing with LPO at Royal Festival Hall, as well as more local festivals and events. They are keen to find further progression routes and nurture talent as much as they can. They have six or seven places available and would be able to arrange a taster session led by the Choir Director for a small group of interested pupils (max. twelve). Please could you email me if your son or daughter is interested in this exciting opportunity.

Lastly, the music practice books have proved very popular with you and our students. Unfortunately, as it is the end of the school financial year I am currently unable to order any more books. If your son/daughter does not have a practice book, then I will be able to provide them with one as soon as the new school financial year starts at the end of next month.

Mr Wright, Head of Music
