

How to Access SharePoint/Resources remotely

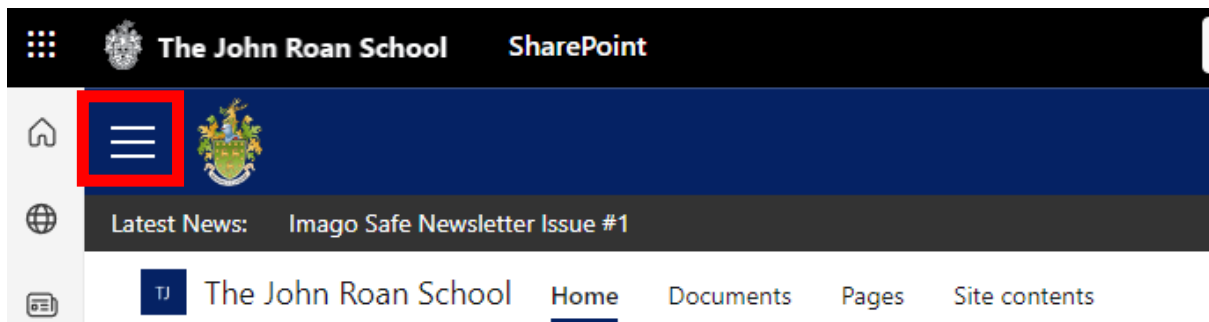

1. Navigate to www.office.com and click "Sign in"

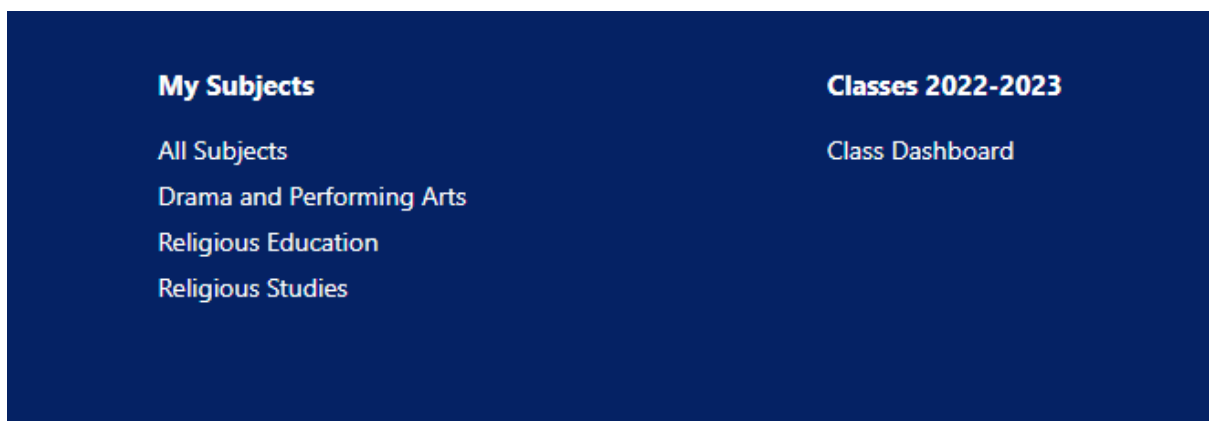

2. Enter you school email and password.
3. Once logged in, select the school logo in the top left-hand corner

- This will bring you to the school's SharePoint page. On the page select the burger icon to expanding the list

- Then select your subject from the "My Subjects".

- Within the subject select your year group and find the files and folder for revision
