### 1. Introduction and Purpose

At the John Roan School, we believe that the school uniform plays an extremely important role in supporting our ethos of bringing out the best in everyone by ensuring that every student takes pride in their appearance and is proud to wear our uniform. The John Roan School uniform reflects our school PRIDE and equality values, whilst celebrating the historic traditions of the school. The John Roan uniform includes the green blazer which has been worn for over a hundred years and the John Roan family crest which has been part of our uniform since 1677.

The purpose of this policy is to ensure that every student, parent and staff member clearly understands what items of uniform are compulsory for every student, and how we ensure that this policy is applied consistently. We know that our diverse community appreciate our traditional approach to school uniform and parents and visitors have always said how their children feel proud to wear our uniform and how it raises their self-esteem.

This policy is published on the school's website which is available in hard copy on request from the Principal's PA or school office.

### 2. Equalities

All children have equal access to wearing school uniform regardless of their culture, race, religion, gender, disability or ability. We ensure that the set uniform respects other policies such as Equalities and allows for individual sets of circumstances of all groups and individuals. The John Roan School is committed to creating a positive climate that will enable everyone to work free from racial intimidation and harassment and to achieve their full potential.

Although our Uniform Policy does not explicitly detail gender neutral and non-binary uniform options, there is flexibility for those affected, and we will discuss your child's needs on a case by case basis, please do contact the school to discuss this further.

Our school's legal duties under the Equalities Act 2010: The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all children the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender

- Make sure that our uniform costs the same for all children
- Allow all children to have long hair (though we reserve the right to ask for this to be tied back and free from unnatural colours) and to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow children to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking children or their parents to get in touch with the Principal, Cath Smith, who can answer questions about the policy and respond to any requests

### 3. Legislation & regulation

This policy has been prepared to meet the school's responsibilities to comply with the Human Rights Act 1998 and Equality Act 2010 and take into account key considerations such as safeguarding requirements and the health and safety of their pupils.

This Policy has regard to the following guidance and advice:

- Special educational needs and disability code of practice: 0 to 25 years (DfE, January 2015)
- Technical guidance for schools in England (Equality and Human Rights Commission, July 2014)
- School admissions code: Statutory guidance for admission authorities, governing bodies, local authorities, schools' adjudicators and admission appeals panels (DfE, December 2014)
- Exclusion from maintained schools, academies and pupil referral units in England: Statutory guidance for those with legal responsibilities in relation to exclusion (DfE, September 2017)
- School uniform: Guidance for governing bodies, school leaders, school staff and local authorities (DfE, September 2013).
- Guidance School uniforms (Updated 19 November 2021)
- Statutory guidance
- Cost of school uniforms (Published 19 November 2021)

### Cost

Our school does have a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that require a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

1. Is available at a reasonable cost
2. Provides the best value for money for Parents and Carers
3. Is available from no less than two suppliers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics as 'optional' so parents can find cheaper alternatives if required
- Considering cheaper alternatives to school-branded items, such as bags and coats
- Avoiding specific requirements for items children could wear on non-school days, such as coats, bags, and shoes

- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller
- Minimising different uniform requirements for different year/class/house groups
- Considering alternative methods for signalling differences in groups for interschool competitions, such as creating posters or labels
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on Parents and Carers of any changes
- Consulting with Parents, Carers and Children on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy
- Offering parents a hardship grant - Parents/carers may apply to the school for support by completing the Hardship Application Form which can be found on the Parents' page of the website <https://www.thejohnroanschool.org.uk/parents>

#### 4. Responsibilities

##### Role of the Class Teachers and Support Staff

To ensure that students are in correct uniform and challenge any infringements. Teachers should check and correct uniform as part of the line-up routine or upon entry to the classroom. Teachers will sanction a student using the first impression card where uniform can be corrected by the student. Where uniform cannot be corrected, students are expected to use school supplies to meet the required expectations. Uniform sanctions generally result in a one-hour detention.

Teachers will raise persistent concerns with the HOY.

##### Role of the HOY and Senior Leadership Team:

To ensure that students comply with the uniform policy agreed by the governing body. The HOY must monitor all uniform incidents, using appropriate intervention for persistent uniform offences. Referrals and sign posting to the school hardship fund and second hand uniform sales.

The school will follow the DfE guidelines and not consider exclusion from the school where a student fails to comply with the school's rules on uniform.

##### Role of the Parents/Guardians

To ensure that their child / children adhere to the school's uniform policy.

Ensure that they come to school in uniform everyday unless there are special circumstances such as non-uniform day. Where a student has a medical reason which may prevent them from wearing their uniform, parents are expected to contact the HOY and provide appropriate medical evidence. Any specific SEND or sensory needs affecting a student wearing the correct uniform should be discussed with the HOY/SEND/CO.

#### 5. Monitoring & compliance

Class teachers, HOY, SLT and pastoral staff will be responsible for the correct monitoring of students wearing uniform. Students are sanctioned using a first impression card, a detention or an SBR. See behaviour policy.

## First Impression Card

Where Students are not following expected uniform and behaviour expectations, staff will sign a Student's First Impression Card. This may include: a shirt being untucked, the top button not being fastened, or a skirt being rolled up etc. This will result in a one-hour next day detention, set by the Student's Form Tutor. Throughout the school day, Teachers and school staff will provide regular reminders regarding the uniform expectations, explicitly teaching our Students the expectations. Where Students receive 3 uniform infringements, they will complete a detention and must request a new First Impression Card. If Students lose their First Impression Card they will receive a one-hour next day detention. Where Students repeatedly fail their first impression card, they will complete a one-day School Based Reflection.

## Uniform detention

Further details on the sanctions regarding Uniform can be seen in the behaviour policy. All students are checked upon arrival to the main entrance. All children are reminded to adhere to the school uniform rules. Where students attend school with incorrect uniform, (that cannot be adjusted, such as wearing trainers) students are assigned a one-hour detention. Parents will be informed 24 hours prior to the detention.

## 6. Learning Equipment

The school expectation is that all Students bring appropriate learning equipment to school to facilitate their progress in every lesson. Where Students have all set pieces of equipment displayed on their desk, this enables our teachers to efficiently transition through each learning activity, maximising the learning experience, with a clear focus on the message that "every second of learning counts". Where all Students have the correct learning equipment, the learning environment can be completely disruption free.

The John Roan School Equipment Essentials are:

- Pencil case
- Pens – Black x2
- Pens – Green x 2
- Pencils – x2
- Pencil sharpener
- Erasers
- A ruler
- A protractor
- Reading book
- A scientific calculator
- A whiteboard, pen & board wipe (initially provided by the school)
- Reading ruler (provided by the school)
- School bag of appropriate size to carry essential equipment and Student books
- PE kit when required

## 7. Uniform requirements

Full school uniform must be worn at all times and should be kept neat and tidy. All items should be marked with the owner's name, as this will support us in returning mislaid items correctly. Students are expected to wear full school uniform on the way to and from school.

Students who arrive at school without the correct uniform may either be asked to return home (with parental consent) to correct their uniform, or they will undertake work in the DFL (Disruption Free Learning Room) until the uniform issue is rectified. Where possible, students will be provided with correct uniform to enable them to attend lessons.

If you are in any doubt about details within this guidance, please contact the school directly to prevent any unnecessary expense. Please do not rely on reassurances from students or shops, because these can be incorrect.
