

10th November 2023

Dear Parents and Carers

'Good' Ofsted Judgment

You may be aware that Ofsted visited The John Roan School last month. Following this, we are very pleased to inform you that the school was rated 'Good' in all categories.

This is a well-deserved result for the academy and reflects the significant transformation the school has achieved. Under the leadership of Cath Smith, the school has made substantial improvements and is now well placed to continue towards 'Outstanding'. We would like to thank everyone who has supported the school throughout this time and played an important role in its success.

The inspectors' report is testament to the hard work, dedication and ambition of staff and students alike. It is gratifying to see many of the school's strengths highlighted, from the culture of high expectations to the strong sense of community which is clear to anyone who visits the school.

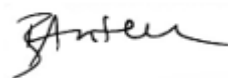

We would encourage you to read the full report which has been uploaded to the school website.

Thank you once again for your support of the school and your child's education. The inspectors' report is an excellent foundation upon which to build and we look forward to supporting the school as it continues to offer a rich and ambitious education to all students.

Yours sincerely

Sir Jon Coles
Chief Executive

Benjamin Antell
Director of Secondary Academies
