Key Stage 3 Mid-Year Assessments: Report Card

Dear Parent/Carer of Meredith,

This report gives you an overview of Meredith's pastoral data (attendance, punctuality, PRIDE points and detentions), alongside their academic results from the recent Mid-Year assessments.

Pastoral Report

The below gives Meredith's attendance, number of lates, PRIDE points and detentions earned so far this academic year. Ensuring attendance is as high as possible ensures students are able to take advantage of every opportunity and strongly correlates with achievement and progress. Punctuality is important because being just 5 minutes late each day leads to over 16 hours of lost learning time across the year.

We are an ambitious learning community where PRIDE brings out the best in everyone. Our PRIDE ethos represents what we expect of everyone in our school community: to be Proud, Respectful, Involved, Determined, and Excellent.

The Working At Grade is the GCSE/BTEC grade that they are currently producing work at a level of. This is heavily weighted by their recent exams but also considers classwork and homework.

The Predicted Grade is what, if they continue working as they currently are, their teacher expects them to be awarded at the end of their course in Year 11. Please be aware that as it is so early in the course, this is more to provide guidance as to their current trajectory.

The Percentage is the score they got in their assessment for that subject during the Mid-Year assessment period

Each student is given a teacher assessed Attitude to Learning for every subject:

The student consistently completes classwork and homework to an excellent standard. They regularly demonstrate PRIDE values through their engagement and determination.

Good

The student completes classwork and homework to a good standard. They participate in lessons and show PRIDE in their work.

Need for Improvement

1. **The Autumn Mock Grade** is the GCSE/BTEC grade that they earned in the first mock assessment period in November. This is a useful comparison to see what they achieved in the first mock compared to this one.
2. **The Spring Mock Grade** is the GCSE/BTEC grade that they earned in their second, more recent, mock assessment period. These are the overall grades achieved in the recent exams. Where coursework is assessed (Music, Drama, the Arts, BTEC subjects), this has been accounted for in the mock grade given.
3. **The Predicted Grade** is what, if they continue working as they currently are, their teacher expects them to be awarded at the end of each of their courses.
4. **The Target Grade** is the minimum grade we expect your child to achieve given their previous attainment (i.e. Key Stage 2 and 3 assessments). Please note, these are generated using national data and are not teacher assessed.
